**Course Description**

Discover collage artists like Matisse, Motherwell, and Picasso as they inspire us to create a variety of unique collage compositions. We will layer fabrics, textural papers, and colorants. All combined on boards and heavy papers in a finished layered collage.

**Course Goals**

Students who complete this course successfully will be able to:

- Learn how collages are made in different ways using materials available to these artists at the time
- Create Picasso-esque collages with wallpaper, newspaper, painting, an drawing with imagery
- Motherwell – colored papers (prepared) wallpaper more abstract
- Based upon Matisse's paper cutouts, paint on sheets of white paper, we will prepare papers, paint papers, and then layer simple shapes to form Matisse-like compositions.

**Materials & Supplies**

All materials will be provided
