### **Course Description**

Your child's senses will be activated and imagination inspired by the natural world. Draw, paint, and sculpt with an equal emphasis on product and process. We'll make clay rock-rattles, seashells, a watercolor bird collage, and much more.

### **Course Goals**

Students who complete this course successfully will be able to:

Construct clay pieces that have good craftsmanship; learn basic observing and drawing skills; learn how to use paints and brushes; and learn how to design their own composition. *Colorado Department of Education's Academic Standards for visual arts will be met.*

### **Materials & Supplies**

All materials and supplies will be provided.
