

Taking it Apart: Putting it Together

Barbara Dimond

legs.diamond@comcast.net

Course Description

Work with soft sculptural recyclables, bought and found materials, paints, pastels, and other colorants to create wonderful constructions, hanging collages, jewelry, and Chihuly-esque pots.

Course Goals

Students who complete this course successfully will be able to:

- Recycle and repurpose found materials into art.
- Learn about Dale Chihuly and his glass
- Fabricate glass pots and jewelry from plastic.
- Attach through perforation

Materials & Supplies

All materials will be supplied
