
Building a Sketchbook & Sketchbook Practice

Instructor Name: Alice Coles

Instructor Email: hulloaliceart@gmail.com

Many of the tools can be found in the crafts section at Dollar Tree, as well as paper, cardboard, and other supplies! If you have scraps lying around, bring them! Trash, such as old paper bags, etc. can also be used. Please bring the art supplies from home you are most comfortable with, do not feel the need to purchase extra supplies for the art-making portion of this class. For the cardboard, I recommend using trash, however avoid cardboard that is thick and “hollow” inside. The cardboard back of a paper pad is perfect.
