Since this is an intermediate/advanced class I do want to reiterate that if you already have some of these items **PLEASE** bring them for class instead of going out and buying all new materials. I want to ensure the supplies are as affordable as possible. If you're wondering "where can I find these items?" I suggest stopping by Meiningers Art Supply Downtown COS. If you're not finding anything within these price ranges you're more than welcome to search Blick as well!
