## *Comic Book Collage Box*

---

Instructor Name: Ken Monefino

Instructor Email: [skelimanarts@gmail.com](mailto:skelimanarts@gmail.com)

In this class we will be working with glue so please wear clothing you don't mind getting messy. When selecting glue, please note that Mod Podge will tend to yellow over time while Maker Magic should remain clear over time. The instructor will provide comic books for each student to select one from. Students may bring their own comic book to use if they wish. Unfinished wood boxes must not be sealed with any kind of varnish or sealant in order for the glue to stick. If you are having trouble finding a box, please email the instructor for further suggestions.
