In this course, students will choose their medium of preference to build their cards, i.e markers, colored pencils, watercolor, acrylic paint, or any other medium they prefer. There will be time in class to sketch ideas, but students will work on their cards at home as well. It is up to students to decide what they would like to purchase for this class. We will discuss this in the first day of class. Students are encouraged to bring the following supplies from home as well.

Please email the instructor with any questions regarding supplies.
