Hot Peppers & Glass Workshop

Instructor Name: Elizabeth Amacher

Instructor Email: elizabethjean79@gmail.com

Quality paints can be found at Meininger's, Michaels, or online. Professional grade paint is highly recommended. 300-pound cold pressed watercolor paper is recommended for best results, although 140-lb would also work. Meininger's has 300-lb Arches cold pressed watercolor paper in stock, or it can be bought online.

Supplies

Alizarin Crimson watercolor paint (Windsor & Newton)	\$6 (beginner) to \$11 (professional) for 5ml tube
