Instructor Name: Liz Amacher

Instructor Email: elizabethjean79@gmail.com

Please come to class with your pencil drawing transferred to your watercolor paper. It is highly recommended that you use quality watercolor paper (140 or 300 pound cold pressed). Meininger's in town has a great selection. The instructor will be using 8" x 10" paper. Bring your own paper towels and container for water. The watercolor paint prices are ranged from beginner (Cotman by Windsor & Newton is recommended) to professional (Windsor and Newton, Daniel Smith, etc.). Cotman is an excellent inexpensive choice.
