Intermediate Wheel Throwing

Instructor Name: Colin Davis

Instructor Email: davis.colin91@gmail.com

Supplies are available at Michaels, Hobby Lobby, Menninger's, Amazon, etc. Please bring an old apron (optional) and clothes you don't mind getting dirty, as well as a large towel. For basic safety as a guideline, please cut nails as short as possible before class begins (this means VERY short) and hair past the shoulder must be tied up to prevent injury while operating wheel from occurring.

Please purchase products that match your projects. For faceting, you will bare minimum want to purchase a cheese slicer, preferably with a limiter so you can achieve the appropriate size of clay to be cut off. Ones that don't have this feature are okay too, and you can get different surface designs with this type, but you may have the walls of your pot be of uneven thickness.

If you wish to engage in a jar project, please purchase the calipers. All other techniques to be demonstrated can be achieved through the use of regular pottery tools that are in an 8 piece pottery tool set.

Supplies

8 piece pottery tool set	\$14
Calipers (optional)- Option 1 or Option 2	\$4-\$13
Wire Cheese Cutter (for faceting, optional)	\$10-\$20
Wiggle Wire (optional)	\$9

Total estimated cost \$14-\$56

Please email the instructor with any questions regarding supplies.

In case you are unable to attend class, consider purchasing supplies that are returnable.
