

COLORADO SPRINGS

Fine Arts Center

at COLORADO COLLEGE

Intro to Papier Mâché for Adults

Instructor Name: Jennifer Weigand Sanabria

Instructor Email: jweigand2024@coloradocollege.edu

Please note:

Most items can be found on Amazon, while some can be brought from home.

- The Newsprint Packing Paper can be repurposed. Printed newspaper can be used as well.
- Wire hangers can be used for the Armature Wire.
- Pure Methylcellulose is a food grade product that is used to substitute for Elmer's Art Paste/Papier Mâché.

Supplies:

Newsprint Packaging Paper (approximately 130 sheets, 13x17")	\$9.99
Jack Richeson Armature Wire, 1/16" x 50 feet, Aluminum	\$11.81
