Paper – One package of 8x10 multi-grade RC paper (25-sheets). Choose any surface – glossy, matte, or pearl. Do not open the paper! The paper will be ruined if exposed to white light. We will discuss proper handling of light sensitive paper. If you sign up for more than one open-lab time, you might use more paper, so consider a 50-sheet box for approx. \$80.00. A 25-sheet pack is approx. \$45.00 - \$50.00. A 100-sheet pack approx. \$120 - \$140.
