Instructor Email: howellmama3@yahoo.com

Make sure your paper scraps are not smaller than 4x5. The amount of scrap sheets you bring will determine your book thickness. I highly encourage you all to recycle and reuse what you may already have at home, for items you might need to pick up, I'd like to suggest Who Gives A Scrap at 810 Arcturus Dr, Colorado Springs, CO 80905. Items can also be purchased at Walmart.
