The following supplies are just some easily accessible favorites of mine, but I suggest just visiting your local bookstore and picking a nice journal and pen that suits you! I realize writing might look different to everybody, and accept any writing medium, so long as it does not interfere with other students' space!

**Supplies**

<a href="#">Notebook</a>	\$12
<a href="#">Pen</a>	\$2

Total estimated cost \$14

Please email the instructor with any questions regarding supplies.

In case you are unable to attend class, consider purchasing supplies that are returnable.
