

COLORADO SPRINGS

Fine Arts Center

at COLORADO COLLEGE

Denim Upcycling and Mending

Instructor Name: McKenna Reazin

Instructor Email: mreazin2024@coloradocollege.edu

You will need a working sewing machine for this course- please test your machine to make sure it makes stitches. Other than that- you will only need an old pair of jeans to up-cycle and mend, **all other supplies will be covered by the instructor with your \$10 material fee.**

Supplies

You will need a working sewing machine.

Sewing machine	\$0-300
----------------	---------

Old pair of Jeans to patch/up-cycle	\$0
-------------------------------------	-----

Total estimated cost \$0-300

Please email the instructor with any questions regarding supplies!

In case you are unable to attend class, consider purchasing supplies that are returnable.
