at COLORADO COLLEGE

Frame It Up!

Instructor Name: Tara Sauvain

Instructor Email: tsauvain2025@coloradocollege.edu

Most materials for this class will be supplied.

Please bring a wooden frame you wish to decorate. Below is a link to an affordable frame, although a worn-out frame from a thrift store would be perfect! Just make sure it is wooden and does not have a lot of textures, that way the collage will be able to stick to it. Consider surface area, the wider the frame edges the better your decoration will show.

It is suggested you bring an apron or oversized shirt to protect your clothing, or wear something you don't mind getting stained. **Please bring the \$20 materials fee on the first day of class.**

[Wooden Frame](#)

\$8.50

Total estimated cost: \$28.50

Please email the instructor with any questions about supplies.

In case you are unable to attend class, consider purchasing supplies that are returnable.
