The Exquisite Corpse: A Writing Workshop

Instructor Name: Kenny Idleman

Instructor Email: kidleman2024@coloradocollege.edu

The following supplies are just some easily accessible favorites of mine, but I suggest just visiting your local bookstore and picking a nice journal and pen that suits you! I realize writing might look different to everybody, and accept any writing medium, so long as it does not interfere with other students' space!

Supplies

Notebook	\$12
Pen	\$2

Total estimated cost \$14

Please email the instructor with any questions regarding supplies.

In case you are unable to attend class, consider purchasing supplies that are returnable.
